Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Saturday 23 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A fine day across the region.

Today:
Another chilly start to the day, especially in rural spots. Saturday morning should be dry and bright. Turning increasingly cloudy with freshening winds developing through the afternoon and evening. Turning mild. Maximum temperature 14 deg C (57 deg F).

Tonight:
A mild and increasingly breezy night with rather cloudy skies. Some patchy light rain might affect the Derbyshire Hills at times. Any short-lived clear spells most likely across eastern parts. Minimum temperature 9 deg C (48 deg F).

Sunday:
A band of patchy rain or showers will cross from the west later on Sunday with best of bright or sunny spells most likely late in the day. Mild. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Monday bright, breezy with scattered showers, dying out later. Fine start Tuesday with increasing amounts of cloud in afternoon. Winds freshening later. Wednesday mild and windy with afternoon rain possible.
